ADVISORY

In order to ensure adherence to the provisions of Cable Television Networks (Regulation) Act, 1995 and Rules made thereunder, it has been decided, with the approval of the competent authority, to monitor output feed of cable operators through a monitoring device. The monitoring devices are to be installed on the Head-end of the Cable Operators, under the provision of Sub-Section 4 of Section 10A of the Cable Television Networks (Regulation) Act, 1995.

2. Accordingly, Cable Operators are requested to cooperate with officials / team of BECIL visiting their premises for installation of monitoring devices on their Head-end. It is also requested to furnish the requisite information regarding Head-end locations, Conditional Access System detail, Transport Stream / Frequency detail, RF Feed details, Platform Service details, CTAV Signal distribution areas, STB Seeding details, etc., required by BECIL officials / team for monitoring system.

3. Any non-cooperation will be viewed as violation of sub-section 4 of Section 10A of the Cable Television Networks (Regulation) Act, 1995. Such violations may invite action as per the provisions of the Cable Television Networks (Regulation) Act, 1995 and Rules made thereunder.
