

No. N-42015/2/2019-BC-III
GOVERNMENT OF INDIA
MINISTRY OF INFORMATION & BROADCASTING
'A' WING, SHASTRI BHAWAN, NEW DELHI- 110115

Dated 26th November, 2019

To

All Private Satellite TV Channels
All Private FM Radio Channels

As you are aware that "Mission Indradhanush" was launched by Government with the aim of expanding immunization coverage to all children across India who are either unvaccinated or are partially vaccinated. Now, Intensified Mission Indradhanush 2.0 has been launched to ensure that not a single child in the country misses out on vaccination with a special focus on improving coverage in the areas with "low" immunization.

2. Electronic Media has always been in the forefront to carry such message as it is a powerful tool to reach out to the people across the country. In order to make this mission a success, it has been felt that support, assistance and contribution of private TV channels and FM radio channels will be of immense use.

3. Keeping in view the significance and meaningfulness of this cause, all private satellite TV/FM radio channels and their associations are requested to give adequate publicity to "Intensified Mission Indradhanush 2.0" in a befitting manner, as part of their CSR activities.
