

No. N-45011/16/2022-DAS  
Government of India  
Ministry of Information and Broadcasting

Room No. 116, 'A' Wing,  
Shastri Bhawan, New Delhi 110001

Dated: 16<sup>th</sup> June, 2025

**ADVISORY**

The Ministry of Information and Broadcasting grants registration to Multi-System Operators (MSOs) to provide as cable television network services with digital addressable system in notified area.

2. One of the terms and conditions of the MSO registration granted is that “MSO shall comply with the provisions of the Cable Television Networks (Regulation) Act, 1995 and the Rules made thereunder, as amended”.

3. Further, Rule 10(A) of the Cable Television Networks Rules, 1994 (the Rules) provides that “every Multi-System Operator (MSO) and cable operator shall be bound to give such information as may be sought for by the Central Government or the State Government or any agency authorised by the Central government or authorised officer, as the case may be, within such period and in such form as may be specified by such government or agency or officer”.

4. In exercise of the powers conferred under Rule 10A of the Rules, this Ministry; vide Advisory dated 21.02.2022 had mandated all registered MSOs to enter their seeding data through Management Information System (MIS) of this Ministry and to regularly update it in every six months.

5. In view of non-compliance of the aforementioned advisory by certain MSOs, subsequent advisories dated 15.11.2022, 24.11.2022 and 09.12.2022 were also issued; providing opportunities to the MSOs who failed to furnish seeding details on MIS. As a result, MSOs who did not comply to the aforementioned advisories, were marked as *non-compliant*.

6. Subsequently, owing to some technical glitches in CTMS Portal (MIS), many MSOs faced difficulties in registering on the portal, preventing them from furnishing their seeding data and changing their status from *non-compliant* to *compliant*.

7. Accordingly, as a temporary alternative to CTMS, an NIC form was developed and all registered MSOs were mandated to furnish their seeding data through NIC form and update the same in every six months.

8. It has been observed that despite above-mechanism being in place, certain MSOs have not furnished their seeding data through designated NIC form even once since the development of NIC form or have not updated their seeding data in the last six months as mandated by this Ministry vide Advisory dated 21.02.2022. These MSOs have been classified as below:

- a. MSOs who have furnished their seeding data through designated NIC form, however not updated the same in the last six months (i.e. after 09.11.2024): 553 MSOs (**Annexure-I**)

b. MSOs have not furnished seeding data through designated NIC form even once since the development of NIC form: 252 MSOs (**Annexure-II**)

9. Now therefore, the MSOs (as per attached Annexure-I and II) are hereby advised to furnish the seeding data within 15 days of issue of this advisory through the NIC form through the link given below:

[https://nicforms.nic.in/nicforms\\_designer/nic\\_form\\_selector.php?form\\_id=enRhYmxlNjQ4NmY2YjBjYjFhMTIwMjMwNjEyMg==](https://nicforms.nic.in/nicforms_designer/nic_form_selector.php?form_id=enRhYmxlNjQ4NmY2YjBjYjFhMTIwMjMwNjEyMg==)

10. It is reiterated that failure to furnish aforementioned information within the prescribed time limit shall be construed as violation of terms and conditions of MSO registration which may lead to initiation of proceedings under section 4(7) of the Cable television Networks (regulation) Act, 1995 and Rule 11(7) of the Cable Television Networks Rules, 1994 for the suspension/revocation of MSO registration.
